

Introducing En Mémoire du Malbec 100% Malbec from Bordeaux

En Mémoire du Malbec is a tribute to the outstanding Malbec wines, widely produced in France before the devastating frost in 1956 when 75% of the Malbec crop was lost. Bordeaux is actually a birth land of Malbec grape - it was historically a major planting in this region, providing color and fruit to the Bordeaux blend. Malbec is one of the original five primary wine varietals. En Mémoire du Malbec is made with 100% organically grown French Malbec grapes.

Mémoire du Malbec is comprised of 30% Oak Aged and 70% steel tank fresh Malbec. **A delicate body style with additional finesse when enjoyed side by side with Argentinian versions.** French Malbec ages well as a result of its high levels of tannins. The wine has a deep purple color with aromas of black fruits, spices and oaky vanilla. The wine has great balance and finishes long. En Mémoire du Malbec pairs extremely well with meats such as dark poultry, lamb or brisket, and with rustic flavors such as blue cheese, cumin spice and mushrooms.

About the Winemaker

The family property of the domaine du Château de Lagarde has been built up over the years by successive generations. **The Raymond family** has a long history of growing wine, dating back to 1850. Today, in order to look after their heritage, they carry on using a special mixture of ancestral tradition and the most efficient technology. Located in the Entre-Deux-Mers, not far from Bordeaux, their wines have grown in the villages of Saint-Laurent-du-Bois, Saint-Martial, Saint-Felix de Conclude since medieval times.

This delightfully different wine is now available in the warehouse. **Please let me know if you would like to receive a**

sample bottle, or if you have any additional questions about these or any of our fine organically grown wines.

En Memoire du Malbec Tasting Notes from Roger Voss at Wine Enthusiast, "Bordeaux has always had Malbec in its vineyards although it is rare. This unusual wine shows how, in a fruity year, the grape can work well. The tannins are soft, giving a juicy black-fruited wine that is forward and delicious to drink now for its succulent fruit." 88-pnts Best Buy
