Vineyard:

The vineyard is located in the East of Austria, Southeast from Vienna. The area is called Burgenland and is a big low-land plain containing also a huge National Park closeby. The climate is continental with warm and dry Summers and cold Winters. Rainfall can be quite little. The average is 450mm per year.

Vinification:

Classical white production in stainless steel. Very reductive style where only top quality grapes are chosen for this wine. Gentle work is the aim to avoid any aroma losses.

Terroir:

Sandy-clay soil, with parts of sandy stone elements.

Training system:

Normal classical trellising system, allowing optimal sun and air permeation.

Tasting Notes:

An unusual floral note of honeysuckle hovers on the nose alongside mossy greenness. The palate is fresh but ripe, adding a salty vein to the juicy but light body. The finish is vivid and clean.

Wine Enthusiast - ANNE KREBIEHL MW

Aromatics of crunchy apple, green pear, tarragon, and catnip. On the palate, the bracing acidity, lime zest, and juice give way to white pepper, tarragon, scallion, with a chalky mineral saline finish that lingers.

Enjoy with:

Asian fare, sashimi, sushi, spiced Thai dishes, grilled shrimp, crustaceans, and oysters on the half shell, as well as a myriad of white meats, egg dishes, and light cheeses.
